**Subject:** Register for 3-Part Webinar Series on Coding Complications! Starts November 4

Having trouble viewing this email? [Click here](#)

NCRA is offering a three-part live webinar series entitled *Coding Complications*. All webinars begin at 2:00 PM ET. Earn one CE for each webinar. **Learn more** about the webinars, presenters, and ways to register.

**Coding Complications: Radiation Oncology**

Wednesday, November 4, 2020  
Presenter: Justin Gagneur, MA, TRP (ABR)

**Coding Complications: Lung**

Wednesday, November 18, 2020  
Presenter: Heather Donohue, CCA, CTR

**Coding Complications: Hematopoietic Cancers**

Wednesday, December 2, 2020  
Presenter: Denise Harrison, BS, CTR

**Group Sales**

NCRA offers discount pricing for groups of six registrants or more! **Download the group pricing fact sheet**. Questions about group sales? E-mail [ccre@ncra-usa.org](mailto:ccre@ncra-usa.org). Group sales must be placed by Wednesday, October 28, 2020.

## **Register Online Today!**

Once a live webinar has concluded, learners must complete the quiz and evaluation, and claim CE credit within 90 days of the live broadcast date. Learners who fail to complete the required activities and claim CE credit within the 90 days will forfeit CE credit for that activity.

**National Cancer Registrars Association**  
1330 Braddock Place, Suite 520, Alexandria, VA 22314  
[info@ncra-usa.org](mailto:info@ncra-usa.org); 703-299-6640 Ext. 320
