NCRA is offering special group rates for their 2022 annual conference to state associations. See below for pricing details. We would like to take advantage of this offer, but need to know if we would have enough registrants. Unfortunately, those that have already registered cannot participate. To take advantage of this group rate discount, ICRA will need to submit your registration on your behalf.

We would like to participate in both the super early bird rate and early bird rate (for those who can't commit before the super early bird rate deadline).

Please respond by **January 21, 2022** to let us know if you are interested in joining us for the **SUPER EARLY BIRD RATE**. Please head to ICRA's website to complete form, ICRA Group Rate NCRA Registration. <https://icra-indiana.net/icra-group-rate-registration/> If we have enough potential registrants (at least 10) then we will go ahead and proceed with the next steps. If we are unable to get enough interest for the **SUPER EARLY BIRD RATE** we will let you know so you can register on your own by January 24.
