Dear ICRA Member:

It is that time again to nominate an ICRA member to receive the very special ICRA Distinguished Member Award.

ICRA is full of special, capable, and caring individuals. ICRA members are dedicated and loyal; however, some go above and beyond their commitment to their profession by serving on professional associations and by volunteering in events benefiting cancer patients and their families.

I have chosen two ICRA members who are not currently serving on the ICRA Board of Directors. These members will determine the winner after evaluating each nomination and selecting the member who is *caring – considerate – dedicated – friendly – helpful – knowledgeable – and possibly works with cancer patients and/or their families*.

Although, I believe each one of us is a Distinguished Member let's acknowledge that one special person and honor "One of Our Own" by nominating one of your colleagues for this special honor.

Once you have reviewed the current membership list and completed the attached nomination form, would you please mail (or email) your nomination form to the following US Mail or Email address on or before August 31, 2023.

Thank you,

LeAnn Capps, BA, CTR
