### **\* FORWARDED E-MAIL FROM INDIANA STATE DEPARTMENT OF HEALTH\***

Dear, Cancer Registrars!

Please find attached our E-Newsletter for the month of **June, 2023**.

This month's Webinar on **Tuesday, June 27<sup>th</sup> at Noon EST** will focus on **abstracting Kidney Cancer**.

**Upon completion of this course, the attendee will be able to put into action all elements involved with abstracting kidney cancers. The attendee will also understand the etiology of kidney cancers and will be able to identify key characteristics and risk factors related to the diagnosis of kidney cancers. The attendee will leave with a better understanding of kidney cancers and will know how to utilize all available resources for abstracting these types of cases.**

Registration Required: 1 CE (Cat A) NCRA Approved. Available with quiz submission at end of presentation. (Free!)

Please look for available courses and enroll yourself from **Link: [FLccSC Website](#) Must Register!**

At the date and time of the scheduled webinar, please visit <https://isdh.pividal.tv/> to launch the live webinar and click on **Live Events – With Chat** at top of screen (see below screenshot).

Have a great day!

**Patrick Sweany, MPH** | *Health Information Consultant*
