

ICRA Q3 Webinar

From: ICRA INDIANA (icra_indiana@yahoo.com)

To: icra_indiana@yahoo.com

Date: Wednesday, August 23, 2023 at 07:19 PM EDT

ICRA members, join education chair Leslie Woodard, CTR, September 20th at 11:00 EST as she presents on Abstracting Cutaneous Melanoma. During this webinar she will present cutaneous melanoma cases, showing how to apply the solid tumor rules to determine site, histology and number of primaries, demonstrate proper use of the AJCC manual to appropriately assign AJCC staging, and show how to accurately code treatment. Yes, this will include the new surgery codes!

This webinar is currently pending NCRA approval for 1 Category A CE. Please note this is (free) for ICRA members only. If you are not an ICRA member and would like to register for the webinar, please first join ICRA via the following link for a nominal \$25 (that includes 3 webinars per year and discounted annual conference rates): <https://icra-indiana.net/membership-application/>
