Dear Cancer Registrars!

Please find attached our E-Newsletter for the month of **August 2023**.

The Cancer Registry is conducting a survey for the topic of our monthly educational webinars to help better serve your needs. Please complete the survey by visiting the link in Newsletter by **October 1st**. Thank you for your participation!

This month's Webinar on **Tuesday, August 29<sup>th</sup> at Noon EST** will focus on **abstracting Ophthalmic Sites**.

Join us to develop a better understanding of ophthalmic cancer and how to utilize all resources available for abstracting these types of cases.

Upon completion of this course, attendees will be able to put into action all the elements involved with abstracting ophthalmic cancer cases. Attendees will also understand the etiology of ophthalmic cancer and will be able to identify key characteristics and risk factors related to the diagnosis of various ophthalmic cancers.

**Note:** There are five case scenarios that will need to be completed prior to the webinar.

Registration Required: 1 CE (Cat A) NCRA Approved. Available with quiz submission at end of presentation. (Free!)

Please look for available courses and enroll yourself at:
