****Forwarded Message from Indiana State Cancer Registry****

Dear Cancer Registrars!

Please find attached our E-Newsletter for the month of **November 2023**.

Reminder! The Cancer Registry is conducting a survey for the topics of our monthly educational webinars to help better serve your needs. Please complete the [survey](#) no later than December 1st. Thank you in advance for your participation. Click here [survey](#) to complete survey.

This month's Webinar on **Tuesday, November 28th at Noon EST** will focus on **Class of case, date of first contact, and follow-up**.

Upon completion of this course, the attendee will be able to accurately code the class of case, date of first contact, and patient follow-up items. The attendee will demonstrate understanding of these items through case examples and quizzes and will use the resources available to assign the appropriate codes. The attendees will leave this presentation with a newfound confidence for coding these three, often challenging, data items.

Registration Required: 1 CE (Cat A) NCRA Approved. Available with quiz submission at end of presentation. (Free!)

Please look for available courses and enroll yourself at:
