ICRA Members-

Hi, as our neighboring state we are writing to share information about the Ohio Cancer Registrars Association (OCRA) annual educational conference in September in West Chester, OH (near Cincinnati).

The 2-day in-person conference is already approved by NCRA for a total of 11.75 CE hours of which 4.5 hours meet the Category A requirement. New this year is that we are applying for AHIMA CEU as well!

See attached brochure for more information.
