Dear Oncology Data Specialists,

Please find attached our E-Newsletter for the month of **July 2024**. This month's Webinar on **Tuesday, July 30th at Noon EST** will focus on **Resolving Edits**.

**PLEASE NOTE:** NCRA approval is pending, CE number will be updated once available. All attendees will be notified.

Registry software edits are a challenge for many abstractors. In this presentation, we will discuss the major changes from v23B to v24A. These common edits will be reviewed in depth with case specific examples. The attendee will leave with the confidence needed to independently review troublesome edits and apply common coding logic to resolve.

When enrolling in July webinar, please select and enroll in the following course in "**Available Courses**" tab in FLccSC embedded within "**Indiana State Cancer Registry Webinars**" option.

Registration Required: 1 CE (Cat A) NCRA Approved. Available with quiz submission at end of presentation. (Free!)

Please look for available courses and enroll yourself at:
