Hi again, ICRA members!

Omega Healthcare is hosting a webinar on February 28, reviewing the 2024 changes and updates. Please see the link below to register. I wanted to be sure everyone was aware, as I do not plan on doing a 2024 updates webinar, due to the other great ones that have already been presented by the standard setters. This Omega one should be a good one 😊

If you do have any questions on the 2024 updates, please reach out!
Have a great weekend,

Leslie
