ICRA Members,

The 2024 ICRA Membership Drive is currently underway. Our goal is to be 80 members strong. This goal can be accomplished if we all work together. Being a member of ICRA provides many perks, such as our newsletter, "The Indiana Abstract," 3 NCRA CE approved webinars, access to our website and a discount to the ICRA Fall Conference. More importantly, being a member of ICRA gives you an abundance of resources by virtue of networking with other ICRA Members. I have made and continue to make so many friends and learned by the knowledge of networking with ICRA Members.

Membership dues support the operating expenses of the Association. At the 2023 Annual Fall Conference, the Membership voted to increase the dues. This increase was not taken lightly by the Board of Directors. Many long discussions over the past several years were held before bringing this increase to the Membership. It was felt to be in the best interest of our Association to increase the due as follows:

Active or New Member: \$35.00 Associate Member: \$30.00 Student Member: \$25.00

To renew your membership, please complete the Membership Application on-line. This on-line application will help the Membership Committee maintain the ICRA Membership Directory.

You may pay for your membership due either on-line (credit card) or by check.

On-line payments will include a processing fee. Processing fees are non-refundable. [On-line Payment of Membership Dues](#)

Checks need to be made payable to ICRA or Indiana Cancer Registrars Association and mailed to the Membership Chairperson.

You will receive a confirmation receipt within a **FEW DAYS** of your submission.
