Date: Thursday, June 20, 2024 at 04:14 PM EDT

****Forwarded from Indiana State Department of Health****

Dear Oncology Data Specialists,

Please find attached our E-Newsletter for the month of **June 2024**.

This month's Webinar on **Tuesday, June 25th at Noon EST** will focus on **Abstracting Adrenal Cancer Cases**.

PLEASE NOTE: The PDF version of webinar be made available on FLccSC when available.

Upon completion of this course, the attendee will be able to put into action all the elements involved with abstracting adrenal cancer cases. The attendee will also understand the etiology of adrenal cancer and will be able to identify key characteristics and risk factors related to the diagnosis of adrenal cancer. The attendee will leave with a better understanding of adrenal cancer and how to utilize all resources available for abstracting these types of cases.

PLEASE NOTE: When enrolling in June webinar, please select and enroll in the following course in "**Available Courses**" tab in FLccSC embedded within "**Indiana State Cancer Registry Webinars**" option:

Enroll
