Dear Cancer Registrars!

Please find attached our E-Newsletter for the month of **May 2024**.

This month's Webinar on **Tuesday, May 28<sup>th</sup> at Noon EST** will focus on **Abstracting Primary Cutaneous Lymphomas**.

**Upon completion of this course, the attendee will be able to put into action all the elements involved with abstracting Cutaneous Lymphoma cases. The attendee will also understand the etiology of Cutaneous Lymphoma and will be able to identify key characteristics and risk factors related to the diagnosis of Cutaneous Lymphoma. The attendee will leave with a better understanding of Cutaneous Lymphoma and how to utilize all resources available for abstracting these types of cases.**

**PLEASE NOTE:** When enrolling in May webinar, please select and enroll in the following course in “*Available Courses*” tab in FLccSC embedded within “*Indiana State Cancer Registry Webinars*” option.

Registration Required: 1 CE (Cat A) NCRA Approved. Available with quiz submission at end of presentation. (Free!)
