

Cases for ICRA Third Quarter Webinar Registration

From: ICRA INDIANA (icra_indiana@yahoo.com)

To: icra_indiana@yahoo.com

Date: Saturday, September 7, 2024 at 10:16 AM EDT

ICRA Members,

I will be reviewing several different surgical procedures for various sites during next week's webinar. If you would like to test yourself in advance, attached are the 16 different case scenarios that will be reviewed. There is no requirement to complete these before the webinar, but some people may wish to. All answers will be given during the webinar and in the handouts provided that day.

Thank you!

Leslie Woodard, CHCM, ODS-C

ICRA Education Chair
